2. The DCI's briefing book for this occasion will be constructed in three parts:

- (1) The World Situation--to be prepared jointly by CIA's Intelligence Directorate and the National Intelligence Council. (Your recommended inputs, if any, are invited.)
- (2) This section will include items of particular interest or concern to each NFIB member organization--items that you recommend the DCI bring to the Board's attention.
- (3) Summary of individual briefings presented by each NFIB organization to the Board since January 1982.

3. Please provide your inputs, especially for items (2) and (3), by noon, 5 May 1982.
